Polly Street, Perry, Michigan commencing at 7:15 p.m. on February 4, 2021. At said hearing, the Council will consider any written objections to any of the foregoing matters which might be filed with said Council at or prior to the time of said hearing, as well as any suggestion, comments, corrections, revisions, or changes in the plans or estimate of costs or property to be the Special Assessment District.

The question of raising money by special assessment shall be submitted to the electors of the City by the City Council at a general election or special election called for that purpose if the owners of ten percent (10%) of the land to be made into the Special Assessment District petition the City Council.

Appearance and protest at the hearing in the special assessment proceedings is required in order to appeal the amount of the special assessment to the State Tax Tribunal. An owner or party of interest, or his or her agent, may appear in person at the hearing to protest the special assessment or shall be permitted to file his or her appearance or protest by letter and his or her personal appearance shall not be required.

The owner or any person having an interest in the real property may file a written appeal of the special assessment with the State Tax Tribunal within 30 days after the confirmation of the special assessment, if the special assessment was protested at the hearing held for the purpose of confirming the roll.

All interested persons are invited to be present at the aforesaid time and place to submit comments concerning any of the foregoing.
