

# Vets to Wellness

**Personal Transportation Services. At Your Service.**

Vets to Wellness is a personalized transportation service for veterans and their spouses living in Genesee, Lapeer and Shiawassee counties.

**V**ets to Wellness is a convenient, easy-to-use service designed to safely transport veterans and their spouses to medical and health-related appointments and services.

Unlike traditional transit options, Vets to Wellness offers customized transportation solutions based on each rider's specific needs and ability. It's an affordable, on-demand, door-to-door health and wellness ride service.

Riders can travel to locations throughout Genesee, Lapeer and Shiawassee counties, as well as select out-of-county destinations. No longer will a lack of transportation keep local veterans from getting to doctor's appointments, the pharmacy, the grocery store, farmers' markets and other community resources.

**Keep Appointments. Keep Active. Keep Healthy.**  
Learn more about Vets to Wellness, a service of Transportation Solutions, a division of SATA, by calling **989.725.9303**. Start riding today!

*To qualify, veterans must be honorably discharged from military service and a resident of Genesee, Lapeer or Shiawassee counties. Veterans and their spouses may be eligible for free rides.*
