

"Put Your Best Face Forward"

DARLING HARDWARE, 156 N. Main Street in uptown Perry, is winner of this month's "Put Your Best Face Forward." The trophy was presented Friday, Oct. 2, by City Councilmember Mindy Galbavi (second from right). Employees present during the presentation, include (from left): Richard Spickenreither, Jeff Belyk, Victor Darling (co-owner/operator), Galbavi and Alex Fuhrman.

Darling Hardware is a 4th generation owned and operated family business that was founded in 1935. As noted by Councilmember Galbavi, the business always looks nice and the recent facelift to the exterior of the building is particularly attractive. Customers are always greeted by helpful employees and if something isn't in the expansive diversified inventory, it can be ordered.

The monthly "Put Your Best Face Forward" award recipient is selected by a council member based on overall appearance, clean sidewalks and windows, window presentation, flower displays (weeded/watered) and absence of trash.

Recipients receive the traveling trophy to display in the business throughout the month and are recognized through local media.
