

# "Put Your Best Face Forward"

**In February 2009, Markham Enterprises acquired ownership of the auto/truck plaza, now known as Road Trip Oasis, on the northwest corner of M-52/Lansing road. Since that time several changes have been made to include: the Sub Shop, Chop Shop and 7-day/24-hour 69er Diner.**

**The facility also includes several amenities for semi-truck drivers, including extra parking, scales and showers.**

**Road Trip was recently honored with dual honors including a Ribbon Cutting ceremony, hosted by the Perry-Morrice Area Chamber of Commerce and presentation of the "Put Your Best Face Forward" Award sponsored by the City of Perry.**

**In attendance at the presentation were: (from left): Perry City Councilmember Terry Wood, who selected the business for the monthly merchant award; store manager Christine Peek; Chamber President Joel Keddle; Road Trip Oasis afternoon Assistant Manager Janet Buck; 69er Diner Manager Dan Kidd; and (back) Chop Shop Chef Yong Deng; along with Chamber representatives Lisa Haring and Jenny Walker.**
