

"Put Your Best Face Forward"

FUNXTIONAL FITNESS, located at 129 North Main Street in uptown Perry, is the May recipient of the “Put Your Best Face Forward” merchant award sponsored by the City of Perry.

Owner/Personal Trainer Shane Parmalee (second from right) founded the fitness center in the uptown area in 2013.

The goal at Funxional Fitness is “to encourage others by enhancing, teaching and motivating others to achieve their fitness goals ...”

Funxional Fitness staff and family members are also very community-oriented and “strive every day to help the community be a stronger, healthier and more confident community.”

In addition to coordinating and hosting the annual PerryFest 5-K and Kids Fun Run every year, Funxional Fitness has hosted several benefits to raise funds for various causes.

Several Funxional Fitness members (background) were present at the recent award presentation when City Councilmember Christopher Powell (right) presented the traveling trophy to Parmalee. Trainer Sunshine Dietz was unable to attend.

For additional information about Funxional Fitness, persons may log onto, www.funxional.com.

The monthly “Put Your Best Face Forward” award is selected and awarded by a different council member each month May through October. Selection is based on overall appearance, clean sidewalks and windows, window presentation, flower displays (weeded/watered) and absence of trash.

Recipients are presented the traveling trophy to display in the business throughout the month along with being congratulated on the City website (www.perry.mi.us) and recognized through local media.
