

"Put Your Best Face Forward"

May 2018

THE FIRST AWARD PRESENTATION of the season was held Tuesday, May 1, to kick-off the "Put Your Best Face Forward" merchant award program established to recognize City of Perry businesses.

This year's inaugural presentation was held at Huffy's Marathon/Main Street Auto, located on the southeast corner of Main and First streets in uptown Perry. Huffy's is a full service facility that helps you take care of all your auto repair needs.

It is also unique in the "service station arena" due to the fact that it is one of few stations left that still pumps gas for its customers and cleans the windshield too. Open 9 a.m. to 6 p.m. Monday thru Friday, the full-service customer-oriented station serves as a grand welcome for people entering the city from the south. As noted by Councilmember Michael Queen (front-left), who nominated this month's winner, the facility "always looks so nice and clean."

Owner Dave "Huffy" Huffine (back-left), was joined at the presentation by his staff, Vinton Jones (back); and front, Sherrie Huffine (wife/co-owner), Mike Gramza and Nick Luft (right).

Judging for "Put Your Best Face Forward," is based on overall appearance, clean sidewalks and windows, window presentation, and absence of trash.

As this month's winner, Huffy's has earned "bragging rights" and the right to display the traveling trophy in the business for one month.
