**VI. HOMEOWNER AFFIDAVIT**

I hereby certify the electrical work described on this Permit Application shall be installed by myself in my own home which I am living or about to occupy. All work shall be installed in accordance with the Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for necessary inspections.

**VII. Fee Clarification**

**Item #17, Mobile Home Unit Site:**

When installing a site service in a park, the permit application must include the application fee, service, plus the number of park sites. When setting a HUD mobile home in a park, a permit must include the application fee and a feeder. This shall be done by a licensed electrical contractor. When setting a HUD mobile home or a premanufactured home on private property, a permit must include the application fee, service and feeder.

**VIII. Fee Chart-** Enter the number of items being installed, multiply by the unit price for total fee.
